Midnight double murder rocks city

Two youths hacked to death on main road over property dispute, one injured

The deceased Kishan and Kiran

Injured Madhusudan

Mysuru, Feb. 8 (RK&BCT) - An age-old property dispute resulted in the murder of two youths who were in their twenties in city last midnight. They were hacked to death on the main road and the murder scene was so gory that blood was splattered all over the road and even the Police teams were horrified to see the brutality.

The incident occurred at around half-an-hour past midnight and the victims have been identified as 25-year-old Kishan alias Garuda and 27-year-old Kiran alias Sanna, residents of Gowrishankaranagar on Nanjangud Road. One more person was injured on his right hand in the attack and he has been identified as Madhusudan alias Kulla, a resident of Gundurao Nagar. He has been admitted to K.R. Hospital.

Though the Police are tight-lipped about the identities of the accused, sources said that they have been identified and a dragnet has been spread to nab them. Since the incident occurred at midnight, the accused — four to five in number — would not have gone beyond the city, Police sources said.

The incident occurred on Yelethota Road opposite to a petrol bunk near JSS College. Kiran, Kishan, Madhusudan and Yashas alias Buyya were coming in an auto towards Ramanuja Road when the accused in two bikes waylaid the auto and attacked Kiran and Kishan who were their main targets.

Shramajeevi, Buddhijeevi and *Andolanjeevi:* PM

'Country needs to be saved from new form of FDI — Foreign Destructive Ideology'

New Delhi, Feb. 8 (UNI& Agencies)- Prime Minister Narendra Modi this morning made a fervent appeal to protesters to end their agitation against the new farm laws even as he questioned Opposition parties for their sudden "U-turn" on the agriculture reforms.

Replying to the Motion of Thanks on the President's address in Rajya Sabha (RS), the Prime Minister also hit out at those behind the protests, saying a new "breed" of agitators has emerged in the country who cannot live without agitation and the country should be beware of them.

"We all know about 'Shramajeevi' and 'Buddhijeevi'. But now a new entity has come up in the country — 'Andolanjeevi'. They can be spotted wherever there is a protest, be it agitation by lawyers, students or labourers, explicitly or implicitly. They cannot live without 'andolan' as they are parasites, feasting on every agitation. We have to identify them and protect the nation from them," he said.

PM Narendra Modi addressing in Rajya Sabha this morning.

(See SHRAMAJEEVI on page 7)

Modi appreciates H.D. Deve Gowda's speech in Rajya Sabha

New Delhi, Feb.8 - A major part of the discussion in the Rajya Sabha today was about farmers' agitation. PM Modi also praised former PM H.D. Deve Gowda's speech.

Speaking on farmers agitation, Modi said, "Everyone in Parliament talked about farmers' protest but didn't speak on the reason behind the protest. There are challenges. But we have to decide whether we want to be part of the problem or the medium of solution. I would like to appreciate the contribution of Shri H.D. Deve Gowda ji on the discussions relating to agriculture in the House. His words have added great perspective to the debate. He himself has a strong association with the agriculture sector."

Car rams into roadside tree

Two killed

Mysuru, Feb. 8 (RK&KS)- Two persons were killed on the spot when the car in which they were travelling rammed into a roadside tree near Udbur Gate under Jayapura Police limits last night. The deceased are Nandan (34), a native of Chikkamagalur residing in Bogadi here and Shivashankar (24), a resident of H.D. Kote. While they were returning from H.D. Kote and neared Udbur Gate at about 11.45 pm yesterday, the person at the wheels of Tata Indica car (KA-10-A-0390) lost control of the vehicle, which rammed into the roadside tree killing both of them on the spot.

Jayapura Police, who rushed to the spot, conducted mahazar, shifted the bodies to MMC&RI mortuary besides registering a case. Post-mortem was conducted today and the bodies were handed over to the family members this afternoon. Jayapura Police are investigating.

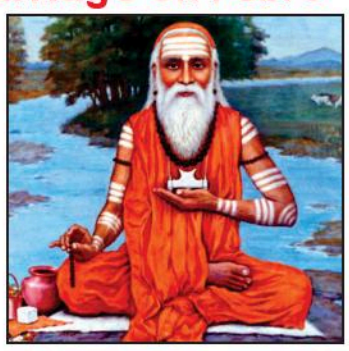
Annual Suttur Jatra

Mahotsava on Feb. 10 to be a simple affair

Monthly Mass Marriage on Feb. 9



Suttur, Feb.8 - Every year, the Annual Jatra Mahotsava of Adi Jagadguru Sri Shivarathreeshwara Shivayogi Mahaswamiji, popularly known as Suttur Jatra, was held in a grand manner for six days. But this year, owing to the prevailing pandemic, the Jatra Mahotsava will be held on Feb. 10 in a traditional but simple manner.

On Feb. 9, *Utsava Murthy* will be taken from Srimutt to Karthru Gadduge. Religious events will begin on Feb. 10 at 4 am with *Maharudrabhishekha* to Karthru Gadduge as well as to idols at Mahadeshwara, Nanjundeshwara, Veerabhadreshwara and Someshwara temples followed by *Shivadeekshe* and *Lingadeekshe* at 5 am with special pujas at all temples in Suttur village; *Prabhat Pheri* at 6 am, *Shatsthala Dwajarohana* by Sri Mummadi Nirvana Swamiji of Kanakapura Sri Degula Mutt at 7.20 am; *Rajopachara* to *Utsava Murthy* at 7.30 am and special puja to Chariots at 10 am. Later, at 2.35 pm, special puja will be performed to *Utsava Murthy* at Kapila river bank. At 6.30 pm, *Utsava Murthy* will be taken from Karthru Gadduge to Srimutt. Cultural events by JSS students will be held from Feb. 9 evening to Feb. 10 noon. All rituals and ceremonies will be telecast online for the benefit of devotees on *YouTube http://Youtube.com/c/JSSMahavidyapeethaonline; Facebook https://www.facebook.com/JSSMVP/* or its website: *http://jssonline.org*.

Mass Marriage

Suttur Mutt has organised monthly mass marriage on Feb. 9 at 10 am. Suttur Seer Sri Shivarathri Deshikendra Swamiji and Siddaganga Mutt Seer Sri Siddalinga Swamiji will grace the occasion. Sri Siddeshwara Swamiji of Jnana Yogashrama, Vijayapura, will preside.

Former Chief Minister Siddharamaiah will inaugurate. District Minister S.T. Somashekar will release the book *Vachanakkondu Kathe*, edited by M.A. Neelambike (Rajendra Shishu), on the occasion. MLA Dr. Yathindra Siddharamaiah will be the chief guest. S.R. Gayathri will be the special guest.

EDITOR'S BOTTOMLINE

Currently, Indian laws have vague provisions for suspending telecommunication services, including the Internet, during times of public emergencies, or, if required, for protecting 'public interest'. Internet bans should be a last resort and must be enforced following well-formulated protocols. Emergency response and relief systems for the vulnerable have to then work in parallel. Upgrading cyber divisions of law enforcement agencies with new-age innovations may offer several alternatives. The use of some of these technologies, including mass surveillance systems and communication interceptors, also presents its own ethical dilemmas. As the pace of globalisation, digitisation and connectivity accelerates, balancing civil liberties with security concerns will become an increasingly difficult task. Governments, especially in democracies, will have to create modern, independent institutions that have the authority and expertise to create frameworks that meet these challenges, without falling back on measures that result in State overreach. — *Anil K. Antony in The Hindu*

NEWS SPARKLERS

Mafia orders ambulances to stop sirens

Naples: Mafia members in the Italian city of Naples have reportedly threatened ambulance crews to stop using sirens as, the noise is too similar to that of police sirens and interferes with their "business".

Ambulance drivers and first responders in Naples have recently started asking for Police escorts, after numerous reports of armed mafia crews threatening and even assaulting ambulances, over their use of sirens and light signals. Apparently, these emergency signals used by ambulances are very bad for business, as they disturb drug-pushers and scare away customers, both of which often mistake them for Police. Such cases have been reported for years, but the problems has intensified recently, due to the Covid-19 crisis.

Man extorted by his own underaged son

Ghaziabad: An Indian man who was under the impression that he and his family were being harassed and extorted by a group of hackers was shocked to know that the perpetrator was his underaged son.

Last month, local media reported the case of a man from Ghaziabad who had approached local Police about an extortion scheme that he and his family had fallen victims to. Rajiv Kumar complained that his email account had been hacked on Jan. 1 and that he had been receiving threats and financial demands from a group of hackers ever since. The alleged criminals were demanding Rs 10 crore or they were going to release sensitive photos of Kumar to the public and then kill him.

During the investigation, Police found that the IP from which the initial extortion email and messages were sent, was the same as the victim's, which meant that the emails had been sent from inside his house. When Police questioned Kumar's minor son, he confessed that he was the one extorting the family.

HEALTH CAPSULE

DIALYSIS

Healthy kidneys clean your blood and remove extra fluid in the form of urine and make substances that keep your body healthy. You need dialysis if your kidneys no longer remove enough wastes and fluid from your blood to keep you healthy and when you have only 10 to 15 percent of your kidney function left. There are two different types of dialysis - Haemodialysis and Peritoneal Dialysis. Haemodialysis is a procedure where a dialysis machine and a special filter called an artificial kidney, or a dialyzer, are used to clean your blood. To get your blood into the dialyzer, the doctor needs to make an access, or entrance, into your blood vessels. This is done with minor surgery, usually to your arm.

Overflowing drain:
Permanent solution needed

Sir,

The 8th Cross, Vinaya Marga, in Siddartha Layout is facing a perennial problem of overflowing drain in one particular stretch as shown in the picture. Sometimes the drain not only floods this street but also the main road. Of course, the Mysuru City Corporation staff come and clean whenever we complain but we repeatedly requested for a permanent solution.

Today morning we faced the same problem and along with the Corporation staff our Corporator (ward 34) visited the spot and assured us that already action to lay bigger pipe to resolve this menace permanently is underway. She confirmed that the money has been sanctioned and in another 2-3 months this problem will be solved.

Powers to DCRE for validation of caste certificates

Former CM urges Government to take back decision

Siddharamaiah

Bengaluru, Feb. 8 (KMS&DM)- Expressing strong reservation about the Government's decision to vest the **Directorate of Civil Rights Enforcement (DCRE)** coming under the Police Department, with the powers to issue validate caste certificates, Opposition Leader and former Chief Minister Siddharamaiah has urged the Government to take back the decision in the interest of backward communities and other poor sections of the society.

In a letter written to CM B.S. Yediyurappa, Siddharamaiah said that the Social Welfare Department on Jan. 16, 2021, has passed an order instructing the District Caste verification committee to issue caste validation certificate concerning specific castes, only upon getting a validation report from the DCRE (Vigilance cell). Pointing out that the order mentions only 21 subcastes of ST community and 8 sub-castes of SC community for verification by the DCRE before Government appointments, Siddharamaiah questioned the Government's decision to specify the names of only 29 subcastes (21 of ST and 8 of SC) .

Maintaining that the order on DCRE's validation report will only lead to more corruption and harassment, Siddharamaiah wondered why the Social Welfare Minister, who represents these sections, was silent on the issue.

Reiterating that the DCRE's validation will lead to rampant corruption and inconvenience to genuine reservation seekers, he urged the Government to immediately withdraw this unscientific and illogical order and thus come to the rescue of job aspirants from these sub-castes of SC/ST communities.

The sub-castes specified by the Government along with their serial number is as follows — **Scheduled Tribes (ST):** Sl.1- Gonda, Rajagonda and Nayakpod, Sl.15- Jenu Kuruba, Sl.16- Kadu Kuruba, Sl.17- Kammara (Dakshina Kannada and Kollegal of Chamarajanagar district), Sl.18- Kanian and Kanyan (Kollegal), Sl.21- Konkana, Konkani and Kukana, Sl.22- Kolidhor, Tokre Keli, Kolcha and Kolaga, Sl.28- Kuruba (Kodagu District), Sl.34- Maleru, Sl.35- Maratha (Kodagu district), Sl.36- Marathi (D.K.District) and Sl.37- Parivara and Talwar.

Scheduled Communities (SC): Sl.19- Beda Jangama and Budga Jangama, Sl.20- Bovi, Sl.21- Channa Dasar, Sl.41- Handi Jogi, Sl.55- Kotegar and Metri and Sl.78- Moger.

ZAK Chairman appeals Minister to provide 0.5 out of 2 percent CSR funds to Zoos

Mysuru, Feb. 8 (PM&DM)- With all the nine Zoos in the State facing severe financial crunch due to dwindling revenues and other factors triggered by COVID-19 crisis, the Zoo Authority of Karnataka (ZAK) has appealed the Industries Minister to provide 0.5 out of the 2 percent CSR (Corporate Social Responsibility) funds to Zoos for maintenance and animal adoption schemes.

ZAK Chairman L.R. Mahadevaswamy presented a memorandum in this regard to Industries Minister Jagadish Shettar at Vidhana Soudha in Bengaluru on Friday.

The memorandum said that a total of nine Zoos and Biological Parks including the famed Mysuru Zoo and Bengaluru's Bannerghatta Biological Park. The revenue earnings of Mysuru Zoo and Bannerghatta Biological Park is enough to maintain them. But the outbreak of COVID-19 pandemic has resulted in revenue losses to all the Zoos, with the Government ordering a shutdown of all Zoos for nearly three months from Mar.15, 2020. As such, the Government must come to the aid for maintenance of Zoos by extending financial support.

ZAK Chairman L.R. Mahadevaswamy handing over the memorandum to Industries Minister Jagadish Shettar on Friday

With no signs of an increase in revenue earnings at least for now, the Government should ensure that 0.5 out of the 2 percent CSR fund (that is a quarter of CSR fund) be diverted to ZAK for maintenance and other expenditures every year. The Government should also ensure that necessary adjustments are made in the forthcoming 2021-22 budget, the memorandum said.

IPS Officer files dowry harassment case

Vartika Katiyar

Bengaluru, Feb. 8- Vartika Katiyar, a 2010-batch Karnataka IPS Officer, who had served as the Superintendent of Police (SP) of Kodagu district, has filed a complaint of dowry-related violence and harassment against her husband, IFS Officer, Niteen Subhash Yeola and his family in Bengaluru.

In her complaint, Vartika, who is now the Superintendent at KSRP Training and Research Centre has stated that she allegedly underwent years of financial, emotional and physical abuse at the hands of her husband Niteen and his family members, which also resulted in an injury in 2016. Based on her complaint, Cubbon Park Police have registered a case and have mentioned the names of seven accused including Yeola, her mother-in-law and brother in-law among others. Niteen is named as accused number 1 (A1).

Vartika has stated that she married Niteen, a 2009 batch IFS Officer in 2011 and the expenses for the engagement and marriage were borne by her parents. After marriage, the family started abusing her for no reason and caused her mental torture, she said.

After three months of marriage, they demanded money from her and threatened a divorce in case she failed to give Rs. 3 lakh. As days went by, the harassment continued and now Vartika has lodged a complaint.

Effluent water not released untreated: Industries Minister

Shettar

Mysuru, Feb. 8 (SBD&SSV)- Large and Medium Scale Industries Minister Jagadish Shettar has clarified that effluent water from industries was not released untreated in city industrial areas.

Replying to Chamundeshwari MLA G.T. Devegowda in unstarred question, the Minister has explained in detail the steps taken by Karnataka Industrial Areas Development Board (KIADB) on industrial waste water management in industrial areas of Mysuru and also not allowing the effluent water to let into Cauvery River.

There were seven industrial areas in Mysuru city — Hebbal, Koorgalli, Belagola, Hootagalli, Belawadi, Metagalli and Hebbal Housing Industrial Area. But, the KIADB had not made provision for septic tank in any of these industrial areas for waste water treatment. However, the unit owners have themselves made arrangements for sewage treatment plant, effluent treatment plant and septic tanks.

The processed water was used for non-drinking purposes. No way, untreated water, was let out openly. In case of violation, Karnataka State Pollution Control Board (KSPCB) would take action against the guilty, he added.

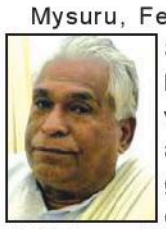
To a question on KIADB providing septic tank in industrial areas, Shettar has said that Mysuru City Corporation (MCC) has linked 90 per cent of waste water collected from Hebbal Housing Industrial area to UGD. But, no information was available on the impact of linking untreated water to UGD.

It was an offence to let industrial effluent into UGD line and the pollution control board would take immediate action, he noted.

District Minister visits Zero Waste Management Unit at Kumbarakoppal

Prof. K.S. Nagapathi of Federation of MCC Ward Parliament explaining about Zero Waste Management System during the Minister's visit to the Unit yesterday as MLA G.T. Devegowda and others look on.

Former MLC D. Madegowda lauds Minister S.T. Somashekar for his commitment towards maintaining cleanliness



D.Madegowda

Mysuru, Feb.8(YDS&DM)- Stating that most Ministers prefer visiting temples and perform ground breaking ceremonies for new projects and works, former MLC D. Madegowda said that District Minister S.T. Somashekar has displayed his commitment towards maintaining hygiene and cleanliness by visiting the Zero Waste Management Plant at Kumbarakoppal in city.

Madegowda was speaking at the stage programme that was held after Somashekar's visit to the plant on Sunday.

Opining that Mysuru is fortunate to have an active Minster like S.T. Somashekar, Madegowda said that Mysuru had earlier bagged the cleanest city tag for two consecutive years. But in recent years, Mysuru has slipped in rankings. However, with an active District In-charge Minister, Mysuru has a better chances of regaining the cleanest city tag, he said an called for a Swacch Sarvekshan of the city involving people's representatives, officials, teachers and Policemen, as such a move will help create a better civic sense among the population.

Regretting that the residents are indifferent towards following proper measures for waste segregation at source, Madegowda said that there is a need for sensitising the public on the fact that a good revenue can be generated from wastes too by converting them into bio-fertilisers.

District Minister Somashekar in his address, complimented D. Madegowda for running the Zero Waste Management Plant in an efficient manner by taking into confidence all those involved.

Bemoaning that people continue to dump waste indiscriminately along roads and highways despite the conduct of awareness and sensitisation programmes, the Minister said that he has directed the Police Commissioner and the MCC Commissioner to heavily penalise those found dumping wastes, debris and garbage along with a jail term, as such harsh actions seems to be the only way to make the indifferent public understand the importance of hygiene and cleanliness.

He further said that such a Zero Waste Management Plant will be set up in Bengaluru too, for which suggestions of D. Madegowda will be sought.

Chamundeshwari MLA G.T. Devegowda in his address, said that there is no doubt that the untiring efforts of the District Minister for ensuring that the city regain the cleanest city tag, will bear fruit.

He further said that Co-operation Minister S.T. Somashekar is perhaps the only Minister in the Cabinet to have toured the entire state twice for hearing the grievances of the people. As the District Minister, Somashekar is periodically touring the district to ensure that the district records a rapid industrial and overall growth.

Prof. K.S. Nagapathi of Federation of MCC Ward Parliament said that the Federation, with a workforce of 60 civic workers, is engaged in collecting wastes daily from 1,200 homes of the city. Pointing out that the Kumbarakoppal Zero Waste Management Plant has taken up the responsibility of maintaining waste collection vehicles, he maintained that the Federation is striving hard for keeping the city clean.

District Minister S.T. Somashekar released a handbook on 'Solid waste management with community participation' on the occasion.

MUDA Chairman H.V. Rajeev, MUDA Commissioner Dr.D.B. Natesh, MCC Commissioner Gurudatta Hegde, City Police Commissioner Dr. Chandragupta and other officials were present.

Applications invited for tarpaulin subsidy

Mysuru, Feb.8- The Agriculture Department has invited applications from eligible farmers for availing subsidy for tarpaulin under the agricultural products processing scheme.

Farmers belonging to General category will get a 50 percent subsidy, while those from SC/ST communities will get 90 percent subsidy on purchase of 250 GSM thickness black coloured HDPE tarpaulin.

The prescribed application forms are available at Kasaba, Varuna, Jayapura and Yelwal Raitha Samparka Kendras. Last date for applying is Feb.15.

Defamation suit: City Court issues notice to former Union Minister Maneka Gandhi

Maneka Gandhi

Mysuru, Feb.8 (RK&DM)-A city Court has issued a notice to former Union Minister Maneka Gandhi in connection with a defamation suit filed by a member of All India Animal Welfare Society.

Dr.S.K. Mittal of city, a member of All India Animal Welfare Society, had filed a defamation suit in 2018 against Maneka Gandhi, accusing her of making baseless charges when she was a Union Minister. She had alleged that he (Mittal) was ineffective in his work. He also charged Maneka of writing to the then Union Minister for Environment Dr. Harsh Vardhan levelling serious charges against him (Mittal).

Dr. Mittal told *Star of Mysore* that he was forced to file the defamation suit in the city's JMFC Court as Maneka Gandhi did not respond to his letter seeking a clarification on the charges levelled by her and also continued to make allegations against him.

However, the JMFC Court which heard the case, dismissed his suit, following which he moved the District Court. The First District and Sessions Court which heard his review petition on Saturday, issued a notice to Maneka Gandhi, asking her to appear before the Court and adjourned the next hearing in the case to Mar.1, he said and added that senior advocate H.B. Prabhu has taken up his case.

Fake Twitter account

Yaduveer lodges complaint with Cyber Crime Police

Yaduveer

Mysuru, Feb. 8 (RK&KS) - Following a fake Twitter account of the titular head of the erstwhile Mysore royal family Yaduveer Krishnadatta Chamaraja Wadiyar being created to tweet in favour of the farmers' protest, Yaduveer has lodged a complaint with the Cyber Crime Police against the same.

Speaking to presspersons after inaugurating the Tuber Mela in city on Saturday, Yaduveer said that the fake Twitter account in his name was created two years ago and added that he has lodged a complaint with Cyber Crime Police. The Police should investigate and as of now the fake account has been deleted, he added.

To a question on his stand to the ongoing farmers' protest, Yaduveer said that it was not the right time to speak about it. However, he called upon people to support India's unity and expressed hope for an early solution to the issue.

CNNL to prepare DPR for Garden at Kabini Dam: Minister Jarkiholi

Bengaluru, Feb. 8 (SSV)- Water Resources Minister Ramesh Jarkiholi said that Cauvery Niravari Nigam Limited (CNNL) has been instructed to prepare a Detailed Project Report (DPR) for the proposed garden on 50-acre land below Kabini Dam in H.D. Kote taluk of Mysuru district.

Replying to Sandesh Nagaraj during Question Hour in the State Legislative Council here recently, he said that 75-acre land was lying unused. Out of which, 50-acre would be developed to raise a beautiful garden and make it as a tourist spot.

Chief Minister B.S. Yediyurappa has promised to release Rs. 100 crore for this project.

'No proposal on four-laning of State Highway-33'

Answering a query on four-laning of State Highway-33 (Mysuru-H.D. Kote Road), PWD Minister Govind Karjol said that there was no such proposal before the Government.

The State was facing financial crisis due to COVID-19 and available funds were being spent on ongoing works. Under these circumstances, the Govt. has no plans for upgrading Mysuru-H.D. Kote Road.

Craft, Cuisine & Culture draws a crowd at 'Hunar Haat'

'Hunar Haat - Craft, Cuisine and Culture Ka Sangam (Confluence of Craft, Cuisine & Culture),' organised by the Ministry of Minority Affairs at Maharaja's College Grounds in city since Feb. 6, is pulling large crowds everyday with visitors thronging the venue to pick their favourites at the expo-cum-sale of swadeshi handicrafts, savour delicious cuisines from different States of the country and to enjoy the cultural evening. The event, which is open for public from 11 am to 10 pm everyday, will conclude on Feb. 14. Singers Mohit Khanna, Karishma and Rekha Raj performed at the venue last evening. Singers Mohit Khanna and Shibani Kashyap will enthral the audience today.

Two vehicles carrying firecrackers to welcome Sasikala gutted

Bengaluru, Feb. 8 (Agencies)- In an unfortunate incident, two vehicles carrying firecrackers, which were to be burst when All India Anna Dravida Munnetra Kazhagam (AIADMK) leader V.K. Sasikala reaches Chennai, caught fire in Tamil Nadu (TN) this morning.

The crackers exploded unexpectedly on the road near the Krishnagiri Tollgate area. However, no one was injured in the incident.

Sasikala's convoy touched down on the Karnataka-TN border arch of Zuzuvadi and rolled into TN to the beats of 'Chenda Melas,' tune of 'Nadaswaras' and with 'Poorna Kumbas' as she returned after serving a 4-year prison term.

The heavy Police deployment and their many injunctions forbidding the use of the AIADMK party flags paled in the face of a high-octane cadre, who proudly flaunted the AIADMK flags letting them flutter high up in the air.

The inter-State border witnessed a happy commingling of the flags of the AIADMK and the Amma Makkal Munnetra Kazhagam (AMMK), blurring the lines between the two parties, as Police grappled to contain the crowd. Cadre also

V.K. Sasikala

arrived with firecrackers, some of which were seized by Cops.

Former Higher Education Minister P. Palaniappan, who was one of the first persons to pledge loyalty to Sasikala and her nephew and AMMK leader T.T.V. Dhinakaran, was also at the border to receive Sasikala.

Amid video visuals of Sasikala leaving Bengaluru in a vehicle bearing the AIADMK flag, West Zone Police at the border was poised to issue a notice to her convoy for the removal of the flag as soon as it reached the border.

At Zuzuvadi, tense moments prevailed, when Cops stopped Sasikala's vehicle and demanded that she collect the notice for violating Police order forbidding the use of AIADMK flag. The notice was, however, not accepted by Sasikala's legal team citing sub-judice.

15,000 people visit Roots and Tuber Mela

Two-day event records Rs. 12 lakh turnover

Mysuru, Feb. 8 (MK&KS)- The two-day Roots and Tuber Mela, organised by Sahaja Samrudha and Rotary Club of Mysore West at Nanjaraja Bahadur Choultry, concluded yesterday.

The 2-day event saw over 15,000 visitors and more than Rs. 12 lakh turnover, said Krishna Prasad of Sahaja Samrudha.

The use of roots and tubers as a popular source of vitamins and protein had been forgotten, especially in urban places, he said and added that the Mela was held to promote its cultivation in the backyard.

Visitors not only purchased roots and tubers but also savoured various delicacies made using them at the venue.

Cooking contest: A cooking contest held on day-2 saw 12 participants preparing various dishes including medicinal jamoon using roots, samosa with sweet potato as a filler, karjikai, laddu, poori, payasam, tuber palya and roti, purple yam playa and juice. P. Hegde bagged first place while Manjula Prakash and Rathi Santoshi bagged second and third place respectively.

Recovering from COVID-19...

Tourist footfall increases at Mysore Palace, Zoo

Mysuru, Feb. 8 (SBD&KS)- The tourism sector in city, which had seen a sharp fall following outbreak of COVID-19 pandemic, is slowly picking up in city and surrounding places.

With the number of Coronavirus positive cases declining day-by-day and businesses also seeing growth slowly, tourists too have begun visiting their favourite destinations with Mysuru being one of them. The footfall at Mysore Palace, Mysuru Zoo, Karanji Lake, Chamundi Hill and surrounding tourist spots such as Srirangapatna, Ranganathittu Bird Sanctuary, KRS Dam, Nanjangud among other tourist spots is increasing day-by-day with huge rush being witnessed during weekends.

Prior to the outbreak of the deadly pandemic, Mysore Palace used to witness a footfall of more than 10,000 tourists daily and now about 3,500 tourists are visiting it which increases during weekends and continuous holidays. On Sunday (yesterday), a total of 9,098 tourists including a foreigner and 624 children, visited the Palace, which fetched a revenue of Rs. 6,11,860 through entry tickets, according to Mysore Palace Board Deputy Director T.S. Subramanya.

Mysuru Zoo, which was reeling under severe financial crunch for its maintenance, is also slowly recovering. Yesterday, 10,931 tourists including 1,393 children visited the Zoo and a total of 1,672 visitors including 199 children visited Karanji Lake.

Chamundi Hill too witnessed more tourists than the usual days. With Tuber Mela and Hunar Haat also organised in city, a large number of tourists and localites thronged the two places. The city roads also saw more vehicular traffic than usual.

The increase in footfall to tourist spots in and around city seems to be a boon to hotel industry, roadside vendors, tours and travels and other businesses, which had suffered the most due to the pandemic.

Midnight double murder

(Continued from page 1)

They forced Kiran and Kishan out of the auto and hacked them with billhooks and 'long' (machetes). While Yashas escaped unhurt, Kiran and Kishan died on the spot with stab and hack wounds all over their bodies. The accused also attacked Madhusudan who was injured on his right hand while avoiding a swipe with a machete. He screamed for help and the accused fled on their bikes before attracting a crowd.

Drunken stupor

According to Police, the accused and the victims had a long-standing property dispute and yesterday afternoon, all of them met at a place to sort out the issue. The meeting failed to reach any conclusion and the warring parties left in anger.

Last night, the accused again met near Nagi Canteen near JSS Hospital and consumed alcohol. They called Kishan, Kiran, Madhusudan and Yashas to the party and all of them consumed alcohol to their fill. Police said that during the party, Kiran asked for a cigarette and this infuriated the accused who were waiting for a chance to strike.

After sometime, Kishan, Kiran, Madhusudan and Yashas left the Nagi Canteen in an auto. Police said that the accused followed them on bikes and waylaid the auto before attacking them.

Police said that though initial investigation points at property dispute, they are probing if there are any other reasons for the attack.

Crowd at mortuary

Hearing about the murder, a huge crowd had come to the mortuary of Mysore Medical College and Research Institute (MMC&RI) where the bodies were shifted for post-mortem.

Relatives of the victims were wailing in a loud voice demanding the immediate arrest of the accused. Mandi Police and KR Police provided security near the mortuary and at Gowrishankaranagar to avoid any untoward incident.

Deputy Commissioners of Police Dr. A.N. Prakash Gowda (Law and Order) and Geetha Prasanna (Crime and Traffic) and Krishnaraja ACP Poornachandra Tejaswi visited the spot. Forensic team, fingerprint experts and dog squad were pressed into service. Police are checking CCTV footages of the area where the incident took place for any available clues. A case has been registered at KR Police Station.

Vaccination for frontline workers begins

Six Centres opened at Trauma Care Centre, three in District Hospital

16,657 beneficiaries in Mysuru District to receive shot till Feb. 10

Mysuru, Feb. 8 (PM&KS) - After vaccinating 52 percent of healthcare workers, now it is the turn of frontline workers to receive the jab from today in the district.

COVID-19 Immunisation Officer Dr. L. Ravi told *Star of Mysore* that 16,657 beneficiaries will be vaccinated in the district till Feb. 10 and added that six Centres have been opened at the Trauma Care Centre and three at the District Hospital in city to administer the vaccine.

Vaccination for frontline workers in rural areas would be held at all Taluk Hospitals and Community Health Centres, Dr. Ravi said and added that Covishield vaccine is being administered at 20 places in the district today besides stating that there was adequate stocks of Covishield.

M. Lakshmi, Data Entry Officer at the Institute of Nephro-Urology, K.R. Hospital, being vaccinated at the Trauma Care Centre this noon.

30 beneficiaries were vaccinated at Trauma Care Centre, while 100 were vaccinated at the District Hospital when we went to the press at 2 pm.

City Congress takes out mock funeral procession to protest rising fuel prices

Mysuru, Feb. 8 (PM&DM)- Holding Narendra Modi led BJP Government at the Centre responsible for rising fuel prices and spiralling inflation, the City Congress under the leadership of former KR MLA M.K. Somashekar held a mock funeral of the Centre in the city this morning.

The mock funeral procession, which commenced from B. Rachaiah Circle near CADA Office on Sayyaji Rao road, passed through the main junctions and Circles before culminating at the burial ground at the foot of Chamundi Hill.

The Congress workers carried replicas of Banks, Railways and other Public Sector Undertakings on a bamboo stretcher and held placards that carried messages against rising fuel prices during the mock funeral procession, in which over 100 Congress workers took part.

Addressing the protestors, former MLA Somashekar said that prices of fuel has been rising consistently over the past few days, which has severely pinched the pockets of common man. Also, the prices of LPG has more than doubled and Modi should alone take the blame for this, he maintained.

Accusing the Centre of indiscreet privatisation of Public Sector Undertakings and pursuance of anti-people policies, he said that privatisation moves of the Centre has resulted in loss of jobs and curtailed the growth of economy.

Contending that nationalisation of banks by the then Prime Minister Indira Gandhi had taken Banks closer to common man, Somashekar said that the current privatisation policies of the Centre is taking away banks from the reach of the poor. He further alleged that the Centre was only favouring big corporates while ignoring the plight of the common man, who is hard hit by loss of jobs and spiralling prices.

The former MLA warned of intensifying the protest if the Centre failed to stem rising prices of fuel and other essential commodities.

Former Mayors Ayub Khan, T.B. Chikkanna and Pushpalatha T.B. Chikkanna, Congress leader H.A.Venkatesh, District Congress President Dr. B.J. Vijaykumar, Corporator Shobha Sunil and others were present.

SAD DEMISE

Funeral will be held in C.S.I. Cemetery, Mahadevpura Road at 11 AM on 09/02/2021

B. A. ROSALIND (82 Years)
W/o A.S. Bangera

Shramajeevi and Andolanjeevi: PM

(Continued from page 1)

New form of FDI: The nation is making progress and we are talking about Foreign Direct Investment (FDI) but I see that a new FDI has come to fore. We need Foreign Direct Investment but the new FDI is **'Foreign Destructive Ideology'** — we have to protect ourselves from it.

Modi also stressed that India is very proud of the contribution of Sikhs and the language used by some for them will not benefit the country. "India is very proud of the contribution of Sikhs. This is a community that has done so much for the nation. The words and blessings of the Guru Sahibs are precious," he said.

Minimum Support Price (MSP)-based agricultural procurement will continue and so will Public Distribution System (PDS).

Give agriculture reforms a chance, open to changes. Despite record production, there are problems in agriculture sector, solutions have to be found together," he said while quoting his predecessor Dr. Manmohan Singh on the need to remove hurdles in farmers selling produce freely.

Congress U-Turn: On the farm sector and the ongoing protest, Modi said, "MSP was there. MSP is there. MSP will remain in the future. Affordable ration for the poor will continue. Mandis will be modernised". He said Congress should take pride that Modi had to do what the former PM wanted.

"Manmohanji is here, I'd read out his quote. Those taking a U-Turn (farm laws) will perhaps agree with him. There are other rigidities because of marketing regime set up in 1930s which prevent our farmers from selling their produce where they get highest rate of return," he added.

Modi said since 2014 his Government has initiated changes in the agriculture sector aimed at empowering the farmer. The crop insurance scheme was changed to make it more farmer-friendly. He mentioned that the former Agriculture Minister Sharad Pawar of Congress party had favoured these reforms.

"Our democracy is not a western institution. It's a human institution. India's history is filled with examples of democratic institutions. We find mention of 81 democracies in ancient India. Today it's essential to warn citizens about the attacks on India's nationalism," he said.

Thanking the House for healthy debates, PM Modi said, "I don't mind what all was said to me but I am happy that at least I came to some use; you are relieved now unburdening all pent-up anger on me. *Modi hai toh mauka lijiye,"* he said concluding his speech.

Vaastu-Feng Shui & Bio-energetics

By S.B.S.Surendran
Accredited Master Feng Shui Consultant

Countering Negative Chi

Everything in the nature needs protection, be it a child or a sapling, till they are able to manage and have the strength to handle things on their own. Similarly, when your personal energies are low and you feel weak, it's logical to adapt things which makes you feel more positive and strengthen your personal aura fields and that of your living environment.

Protection strengthens the energy from inside, building the power reservoir and in turn aids to start using a discerning eye to see what potentially challenging energies surround you or your home. If one can sharpen the skills of being alert to the surroundings for potential threats or changes, it would ensure that one can avert major afflictions due to negative Chi (energy) and bad luck.

The fundamental principle for Feng Shui analysis is to protect your house or office, to check if it is being influenced by bad energies from any of the 10 primary directions — East, West, North, South, NE, NW, SE and SW, as well as from Sky and Earth.

This is a complex process and calls for professional help and advice. However, by being aware of the surroundings and the feel, one can develop the skill to sense the type of energy and take proactive measures.

The method is to counter the bad energy from a specific direction and enhance something which is good in your home to activate good feel. Using basic Feng Shui solutions based on the interaction of the cycle of the five elements is all that one needs to do. For this, a basic understanding of the Feng Shui elements would aid in choosing the right solution and it can be part of your home decor and lifestyle without having to make it look too obvious.

There are various kinds of negative Chi with many causes. However, few things can help unblock this in your home or workspace. Clutter is the main cause of trapped energy that blocks its natural flow. Like air, energy moves through your home, but if it bumps into a stack of old newspapers or other clutter, it can't move freely and becomes trapped.

Blocked pathways and door entry zones are one of the biggest creators of negative energy especially if it is blocked due to placement of furniture or objects in pathways. Most importantly, a dirty untidy home creates stagnant energy.

Some of the basic protections against bad energy are:

• Hang a natural bird feather which you find if the wind carries it to you it's a good cure for minor problems and afflictions. Hang this above main door entry to drive away minor negative energies and deflect minor poison arrows. However, if the feather is forcibly taken or plucked, it is one of the most negative energies, hence beware!

• An image of an elephant protects against violence and robbery and also brings stability and harmony. Combination of a Elephant with a Blue Rhino figurine or statue is even more effective. Place it in the living room looking towards the main door.

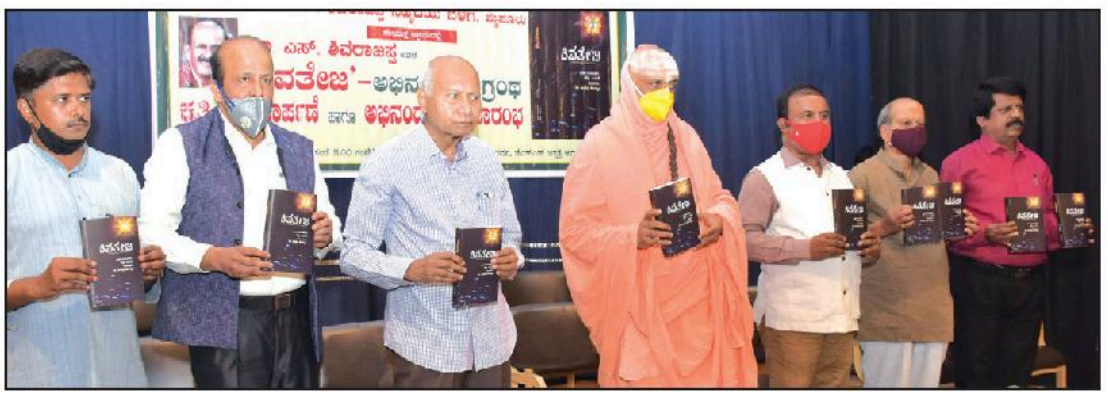
Shivateja, a felicitation volume on ORI Director released



***Suttur Seer Sri Shivarathri Deshikendra Swamiji** (centre) releasing 'Shivateja,' a felicitation volume on ORI Director Dr. S. Shivarajappa (second from left), at a programme organised at Sri Rajendra Bhavana, JSS Hospital premises, recently.*

Mysuru, Feb. 8- 'Shivateja,' a felicitation volume on Dr. S. Shivarajappa, was released at Sri Rajendra Bhavana, JSS Hospital premises, recently.

The programme was organised by District Kannada Sahitya Parishat in association with Dr. S. Shivarajappa Fans Association. The felicitation volume has been brought out on the occasion of 60th birthday of Oriental Research Institute (ORI) Director Dr. S. Shivarajappa, edited by poet Dr. Jayappa Honnali with littérateur Dr. C.P. Krishna Kumar (CPK) as its Chief Editor.

Speaking after releasing the book, Suttur Seer Sri Shivarathri Deshikendra Swamiji said, "Dr. S. Shivarajappa is a simple and humble human being. He loves everyone and has no hesitation to mingle with people of all walks of life. This 392-page felicitation volume has 30 valuable articles."

Later, Dr. CPK and Professor and senior scholar Dr. N.S. Taranath addressed the gathering. Dr. Taranath mentioned that already two felicitation volumes titled 'Shivapatha' and 'Shivamaya' have been brought out on the ORI Director.

ORI Director Dr. S. Shivarajappa, felicitation volume Editor Dr. Jayappa Honnali, Tara Publications' M.N. Shashikumar, T. Ramesh, District Kannada Sahitya Parishat Chamarajanagar President B.S. Vinay, District Kannada Sahitya Parishat Mysuru President Dr. Y.D. Rajanna, former Presidents of District Kannada Sahitya Parishat Mysuru M. Chandrashekhar and Maddikere Gopal and others were present.

Lions hold Regional Conference in city

Mysuru, Feb. 8 (RK&SD)- Lions Clubs International (District 317A), Region VII, had organised a Regional Conference at Maharaja's College Centenary Hall here yesterday.

Ln. K.N. Devaprasad inaugurated the conference.

Chief guest, former University of Mysore VC Prof. K.S. Rangappa spoke on the theme of the conference — 'Higher Education - Challenges and Opportunities.'

"Every stage of education is important, but primary and higher education is very important for a developing country like India. Higher education provides specialised knowledge and skilled persons for national development. Because of priority given to higher education, developed countries have prospered well and brought out talented youngsters into the limelight. We need to pursue the same goal, in particular in our rural region. About 70 percent of Noble laureates are from rural background. Our Universities, together with private sector, should work towards this goal. Service oriented organisations like Lions Club should also focus on rural areas and conduct programmes to promote education, in particular higher education in those areas," he said.

District Governor Ln. Dr. G.A. Ramesh, ex-District Governor Ln. K. Devegowda, Ln. A.P. Bharatesh, Ln. K.V. Ramakrishna, Ln. Dr. M. Mahesh, Ln. Manjunath, Ln. Hemanth Kumar, Ln. R. Ravi, Ln. Vinutha, Ln. A.M. Naganna, Ln. L.H. Suresh Ramu, Ln. H. Ashwathnarayan & Ln. B.M. Prabhuswamy were present.

Facelift: Mysore University buildings get new facade

NAAC delegation to visit Gangothri soon: VC

Mysuru, Feb. 8 (MTY&BCT)- The century-old University of Mysore is getting a facelift and certain buildings inside the campus have got a new look with aluminium cladding. The grey-coloured panels are extremely durable and can last up to 30 years. The University has spent Rs. 1.20 crore for the first phase of the works.

Sources from the University said that the exteriors of the buildings now look majestic and the design was adopted to give a classy-look to the buildings in an effort to compete with other Private Universities.

Ranked among the premier Government-run higher educational institutions, the University of Mysore does not want to lag behind when it comes to the beauty of the campus.

The grey aluminium cladding panels on buildings amidst lush greenery are giving a world-class touch to the University. Authorities have planned to beautify all the buildings inside the campus and the work will be done in phases. Some of the buildings inside Manasagangothri desperately need a fresh coat of paint and this cladding work eliminates the necessity of paint and is a cost-saver for the University.

WEATHER PROOFED: ***Humanities Block sporting a new look after cladding with Aluminium Composite Panels.***

They are called Aluminium Composite Panels and are light in weight, are corrosion resistant, require less maintenance, have excellent shine and are high on durability. Some of the features of the panels cladded on the buildings are sleek design, rust-proof finish, weather proof and maintenance-free, said Varsity sources.

In the first phase of the works, four buildings near the entrance from Bogadi side — from Kuvempu Statue Gate — have got aluminium cladding panels and the works have reached final stage. In the coming days four more buildings will receive a facelift. Not only the walls have been cladded with new panels but also the windows and doors have got the same border, enhancing the looks.

The buildings that are sporting a new look are Humanities Block, Commerce Block, Mathematics Block and the Library Block. In the coming days, other buildings too will get cladded with these aluminium panels.

Every day hundreds of academics from outside the University visit Manasagangothri and they include foreign delegates, academics and research scholars of national and international repute.

NAAC visit

"Every time they visit, it is not possible for the University to paint the campus. We are expecting a visit by NAAC (National Assessment and Accreditation Council) very soon and this is the reason why we have taken up the cladding works," University of Mysore Vice-Chancellor Prof G. Hemantha Kumar told *Star of Mysore*.

A high NAAC ranking is among the key criteria for attracting funds for research projects and new schemes of the University Grants Commission (UGC) for the University, he added.

KSOU spruced up for Silver Jubilee celebrations

Mysuru, Feb. 8 (RK&SSV)- Laying of lawn, whitewashing buildings, felicitation to alumni and construction of study department building. These are plans of Karnataka State Open University (KSOU) as part of its Silver Jubilee celebrations.

Started in 1996 to fulfil the aspirations of people for higher studies, this institution is celebrating 25 years of its glorious existence as premier distance education provider in the country. Academic activities, which was missing for almost nine months due to COVID-19 pandemic, have resumed, thanks to simplification of strict guidelines.

Lawn

The Horticulture experts from Bengaluru, have been entrusted with the work of laying lawn in and around the KSOU Administrative Building on Hunsur Road. These experts maintain lawn in Bengaluru's Lalbagh. Fifteen workers are engaged in this work. The lawn has given new look to the Administrative building.

White paint

It has been decided to paint all the buildings of KSOU in white colour to have uniformity.

> "Our institute has been imparting education to lakhs of youths in the last 25 years. It is a matter of proud that many KAS and IAS officers are alumni of this institute. It faced rough weather for some time. But, we have overcome it. Celebrations will be held throughout the year."
>
> **— Prof. S. Vidyashankar**
> Vice-Chancellor, KSOU

Felicitation

As many as 20 IAS officers who have secured degree and post graduate certificate from KSOU while in service, would be honoured. Plans are on to identify noted scientists among the alumni, to felicitate them during Silver Jubilee celebrations.

Regional Centres in Dharwad, Kalaburagi and Mangaluru which were functioning in rented buildings would get permanent structures on land owned by KSOU in those three cities.

Tender process has begun to construct Study Department building as part of Silver Jubilee celebrations. Year-long celebrations are planned which included national and international level workshops, lecture series and talks by nobel laureates. A High Power Committee would be constituted to chalk-out the programmes as part of celebrations.

GREEN CARPETS: ***Gardening team putting in place patches of grass at KSOU campus.***

KSOU is offering 51 courses including 20 certificate courses and 31 UG and PG courses, to around 40,000 candidates. As many as 1,293 candidates have registered their names for MBA course. The institute has 76 teaching and non-teaching staff to train 5,000 students. There is a demand for more staff due to increase in academic and research activities.

WORD OF THE DAY

Categorical

Pronunciation: kat-uh-GOR-ih-kul.
Meaning: Absolute, unqualified; of, relating to, or constituting a category; involving, according with, or considered with respect to specific categories.
Origin: The ancestor of categorical and category has been important in logic and philosophy since the days of Aristotle. Both English words derive from Greek katēgoria, which Aristotle used to name the 10 fundamental classes (also called "predications" or "assertions") of terms, things, or ideas into which he felt human knowledge could be organised. Ironically, although those categories and things categorical are supposed to be absolute and fundamental, philosophers have long argued about the number and type of categories that exist and their role in understanding the world. High-level philosophical disputes aside, the word categorical continues to sometimes describe an absolute assertion, one that involves no conditions or hypotheses—for example, the statement "all humans are mortal."
Example: "The Fair School Funding Plan ... offers ... categorical funding to determine the actual costs of safety and mental health programs and educations for disadvantaged and gifted students and those with disabilities or the need to learn English. — David J. Coehrs

THE ODD WORD

Cacogen

Antisocial person.

PHRASE OF THE DAY

Can't hold a candle to

Meaning: The expression 'can't hold a candle to' refers to someone who compares badly to a known authority — to be unfit even to hold a subordinate position.
Origin: Apprentices used to be expected to hold the candle so that more experienced workmen were able to see what they were doing. Someone unable even to do that would be of low status indeed.
Sir Edward Dering used a similar phrase 'to hold the candle' in his *The fower cardinal-vertues of a Carmelite fryar,* 1641:
"Though I be not worthy to hold the candle to Aristotle." 'To hold a candle' is first recorded in 1883 in William Norris's *No New Thing:*
"Edith is pretty, very pretty; but she can't hold a candle to Nellie."

QUOTE BOX

A candle in your hand is better than a star in the sky.

— Matshona Dhliwayo

RIDDLE THIS

Solve the rebus:

WORKED
PAID

Answer: Overworked and underpaid.

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.

Annual Meeting of Mysore District Bridge Association

Tournament Director Umapathi announcing the results as former President Jayapal, Hon. Secretary Basavaraj, Vice-President Murthy and Hon. Treasurer U.B. Acharya look on.

Mysuru, Feb. 8- The Annual General Body Meeting of the Mysore District Bridge Association for the accounting year 2019-2020 was held at the Cosmopolitan Club on Sunday last.

Due to the pandemic situation, not only social distance was maintained and wearing masks were made mandatory but also the normal pre-meeting Bridge Tournament was cancelled.

As Association President was absent, Vice-President Maj. Gen. (retired) K.K. Murthy presided. The Honorary Secretary and Honorary Treasurer's reports were read out and passed unanimously.

After the prize distribution of "Player of the Year" (won by Dr. Puttabasappa), the meeting ended with vote of thanks by the Hon. Treasurer.

District-level Govt. employees Sports Meet on Feb. 12 & 13

Mysuru, Feb. 8 (RKB&DM)- The two-day District-level Sports Meet of Karnataka State Government Employees Association will take place in city on Feb. 12 and 13.

Announcing this at a press meet here recently, Association's Mysuru District President J. Govindaraju said that the Meet will be held at Chamundi Vihar Stadium, University of Mysore Sports Grounds, Manasagangothri Indoor Stadium and Rotary West Auditorium.

The Meet will be inaugurated at Chamundi Vihar Stadium in Nazarbad at 10 am on Feb. 12 and the valedictory will take place at 4 pm on Feb. 13.

He said that sports events include many outdoor and indoor games such as hockey, football, volleyball, wrestling, kabaddi, basketball, badminton, table tennis, chess, athletics and cricket, while cultural competitions include Hindustani music, light music, Karnatak music, folk songs, dance, instrumental music, plays etc.

Govindaraju further said that the two-day Meet will also feature a Handicraft Expo at Chamundi Vihar Stadium.

For more details, contact Ph: 0821-2564179 or Mob: 98457-67004.

Admission to District Sports School

Taluk-level selection in city on Feb. 18

Mysuru, Feb. 8- The Department of Youth Empowerment and Sports (DYES) has invited applications from eligible fourth standard students for admission to fifth standard (2021-22) in the District Sports School run by the Department.

Boys and girls of fourth standard (2020-21) aged below 10 years and having keen interest in sports can report at 9.30 am on Feb. 18 for first round of selection (Athletics and Gymnastics) to take place at Chamundi Vihar Stadium in city. The first round of selection will be held in all other taluk headquarters of the district as well.

On Feb. 16, the selection will take place at Taluk Stadium in Periyapatna, at Vidyodaya First Grade College Grounds in T. Narasipur and at Government College Grounds in Saragur.

On Feb. 17, the selection will take place at Taluk Stadiums at Hunsur, Nanjangud and H.D. Kote.

On Feb.18, the selection will take place at Mysuru's Chamundi Vihar Stadium and at Taluk Stadium, K.R. Nagar.

Successful students at taluk-level can take part in the district-level selection to take place at Chamundi Vihar Stadium in Mysuru at 9 am on Mar. 2.

For details, contact Ph: 0821-2564179, according to a press release from the DYES Assistant Director.
